APPLICATION DISCLOSURE

Dorman Real Estate Management is a dedicated fair housing provider and will assist all persons without regard to race, color, creed, sex, religion, national origin, familial status, marital status, handicap, ancestry, or any other protected class as defined by state and federal fair housing laws.

Applicants are not accepted on a first come, first served basis. All applications received will be processed concurrently, and from them we will select the best qualified candidate. We do require each adult (18+) intending to occupy the premises to complete their own application, and please be prepared to pay our application fee of \$50 for each adult applying. Application fees are nonrefundable. If you would like to know if a property already has pending applications, please either e-mail us at Applications@DormanRealEstate.com or call our office [719-213-9100].

Thank you for considering a home managed by Dorman Real Estate Management.

HB 19-1106 Compliance:

For our company, the hard costs associated with running an application include but are not limited to: paying our third-party software provider for credit, eviction, and criminal background history, paying our staff member(s) hourly to process the application, and paying to provide our application processor with a physical desk space, along with software to effectively perform all associated job duties. The labor/time associated with running an application typically includes working with the applicant to ensure the application is completed, communicating with the prospective tenant throughout the application processes, and working to obtain past rental housing references, proof of income, picture identification, photos of pets, etcetera. Hourly staff/labor costs include benefits such as health-care benefits, paid-time-off allotments, and time blocked out for regular training.

Upon quantifying all costs and calculating the out of pocket expenses for running applications, we have determined that it costs us around \$60 per application for processing. However, for the sake of "fairness" and market competition, we have lowered the rate charged to a flat \$50 per adult applying for residence.

PET DISCLOSURE

Dorman does not have a restricted breed list! As a rule, we will accept all breeds unless an individual property owner has asked us to not accept certain breeds on their property. The property owner may also restrict the number of pets, the weight of acceptable pets, or the type of pets permitted at their property.

All animals must be screened through PetScreening.com and pet fees will depend upon the “FIDO Score.” These scores range from a 1 (low) to a 5 (high). Any FIDO Scores of 2-5 qualify for our standard fee structure which is a \$250 nonrefundable initial pet fee (per pet), due prior to occupancy, and a monthly Pet Accommodation Fee (per pet) of \$25. For FIDO Scores of 1, the initial nonrefundable fee is \$350, with a monthly Pet Accommodation Fee of \$35.

While PetScreening.com takes many risk factors into account in their scoring algorithm, the following breeds will always equal a FIDO Score of 1:

- American Pit Bull Terrier
- Staffordshire Terrier
- Staffordshire Bull Terrier
- Bull Terrier
- Rottweiler
- Doberman Pinscher
- Mastiff
- Bull Mastiff
- Chow
- Akita
- Wolf/hybrid
- Dingo/hybrid

Also, as a standard practice, we do not permit more than two (2) pets, pets that are more than 100 lbs, or pets under 12 months of age, without first gaining authorization from our property owner/client. This means that an application could still be declined due to pets, even if the property is marked as accepting pets on the listing.

Please note that we are a dedicated fair housing advocates and will consider all reasonable accommodation requests. If you have an assistive animal used to help with a medical disability, you may be exempt from the above requirements. However, we will prosecute if fraud or misrepresentation occurs, and will act in accordance with Colorado House Bill 16-1308 signed into law on 03/29/2016 which defines the legal and financial penalties for mispresenting a pet as an assistive animal in the state of Colorado.

FEE DISCLOSURE

At Dorman we have a “no small print” policy. We want all tenants to understand our expectations prior to applying and any possible initial or monthly fees which might be required should your application be approved.

Fees that are always charged:

- **Lease Administration Fee • \$100 one-time:** We understand that the lease administration process is both a service to our clients/property owners, and to our customers/tenants. Because of this, we charge a flat \$100 for administering the lease between all parties, which is due with the first month’s rent payment.
- **Resident Benefits Package • \$25 per month:** Please see the Resident Benefits Package sheet provided on the next page of this packet.

DISCLOSURE: \$9.50/mo of this program goes directly towards paying for the limited liability insurance plan provided through our software provider and is a direct pass thru. To comply with coverage requirements, this portion of the program cannot be prorated, and is apportioned out on the monthly tenant ledger.

Fees that are commonly charged:

- **Pet Fees • \$250 one-time/\$25 per month or \$350 one-time/\$35 per month:** The Pet Fee schedule will depend on your pets PetScreening.com FIDO score. Please carefully read our Pet Disclosure provided in this packet.
- **Risk Mitigation Fees:** This fee is required on any tenants, or any parties with at least one person, with a credit score below 700.
 - **\$15 per month for credit scores 650-699**
 - **\$25 per month for credit scores 600-649**
 - **\$35 per month for credit scores 550-599**

DISCLOSURE: We do not approve applications with below 600 credit scores except in very rare circumstances. At our sole discretion, exceptions include but are not limited to properties that have been on the market for well above an average amount of time, and credit between 550-600 because of unpaid medical debts or student loans (only). In all cases, property owner consent may be required.

Fees that are very situational and less common:

- **Utility Service Fees • \$<variable> per month:** For some properties (normally multifamily), utilities are not separately metered at the building, and there is common area maintenance performed for the benefit of all residents. For many of these properties, we charge a flat monthly charge to offset the property owners’ costs for these items.
- **Septic Fees • \$25 per month:** For any properties with a septic system to help the property owner offset septic system pumping and maintenance expenses.

If at any time you have questions about the fees listed here, or any others outlined in our Lease Agreement, please contact us. Thank you for considering a home managed by Dorman Real Estate Management.
